New Covid-19 rules for the classroom

In order to ensure that the students and staff of Van School of Blacksmithing operate safely we have instituted new rules in accordance to the regulations set by the government of Ontario. We ask that all participants please read, understand and respect the new rules that are in place as this is for everyone safety. We are not requiring proof of vaccination at this time but is subject to change at any time based on government mandates and/or health risk.

- **Students are to bring and wear facemasks at all times during the program especially when staff and students are within 2 m of each other.**
- **Students must fill out the new Covid-19 disclosure form that is onsite.**
- **Students will be provided with sterilized safety face shields that they will return at the end of the program.**
- **No spectators will be permitted during class time.**

In the event of non-conformance students will not be allowed to participate in the programming and must leave the premises. Students will not be entitled to a refund or rescheduling.

Thank you for your understanding and have a great course!
